CHITALDRUG DISTRICT.

(Nos. 394 to 398.)

SUBJECT No. 394.

Providing better accommodation for the Anglo-Vernacular school and the dispensary at Harihar.

Mr. Anantha Naik, Harihar Municipality.

Summary of discussion.—The Anglo-Vernacular school and the dispensary at Harihar are now located in buildings situated in the heart of the town. The necessity for locating them outside it is repeatedly emphasized by the Senior Surgeon and other inspecting officers.

Reply of Government.—Will be taken up when funds are available.

SUBJECT No. 395.

Construction of abutment walls to the *chattram* and the temple at Harihar.

Mr. Anantha Naik, Harihar Municipality.

Summary of discussion.—Owing to the gradual encroachment of the Tungabhadra river, the safety of the outer walls of the *chattram* and of the small temple at Harihar is seriously endangered and they require to be supported by abutment walls.

Reply of Government.—Noted for consideration.

SUBJECT No. 396.

A timber and fuel depot at Harihar.

Mr. Anantha Naik, Harihar Municipality.

Summary of discussion.—Firewood is scarce in Harihar. As it can be got by river from Shimoga and other parts, a commission agent may be employed by Government to supply timber and fuel. Private depots charge high prices.

Reply of Government.—If any application is made for a commission agency, the Forest Department will appoint a commission agent.

SUBJECT No. 397.

Establishment of an Industrial school at Harihar.

Mr. Anantha Naik, Harihar Municipality.

Summary of discussion.—The Industrial school at Chitaldrug having been abolished, one may be opened at Harihar. It is likely to prove very useful, as it will become popular if carefully managed.

Reply of Government.—A grant-in-aid will be given to a private institution, if started.

SUBJECT No. 398.

Grant of timber at concession rates for the construction of village schools.

Mr. Anantha Naik, Harihar Municipality.

Summary of discussion.—The district of Chitaldrug has little or no timber or bamboos in its forests. In lieu of timber and bamboos granted at half cost, cash grants may be made to ryots who construct their own school buildings in their villages.

Reply of Government.—Noted.

TUMKUR DISTRICT.

(Nos. 399 to 407.)

SUBJECT No. 399.

A road to connect the Nelligere-Sira road with Hebbur.

Mr. Hutchavire Gowda, Gubbi Taluk.

Summary of discussion.—A large *santhe* is held at Kallur. Much inconvenience is felt for want of a road to it. A road may be opened from the Nelligere-Sira road to Hebbur *viâ* Kallur (passing over its tank bund) and Chittanahalli.

Reply of Government.—Cannot be done.
